

Insurance Premium Funding

How it can help your business....

- Allows business customers to finance the cost of annual business insurance premiums.
- Insurance Premium Funding preserves existing financial arrangements (eg Overdraft) & generally requires no additional security.
- Competitive fixed interest rates & there are no hidden costs.
- Tax deductions may be available on interest paid (customers should consult tax advisor)
- Simple & convenient application process.

Insurance Premium Funding is just one of the many flexible finance solutions we offer.
